

EDEN

Refreshingly new, with stitching inspired by sports cars, combined with classic virtues in the form of a stylish wooden frame. The main features of this spacious chair are a soft and very comfortable seat and backrest that allow for various seating positions. The design builds a bridge between many elements, such as the soft and the masculine, innovation and tradition, and private and public spaces.

2014 Good Design Award

Year of design: 2014

Dimensions (cm):

Chair: L 75 D 92 H 85 SH 39
