

True Love

+Halle®

True Love

True Love is a distinct, organic and charismatic chair that offers an alternative to the traditional upholstery chair. True Love offers great seating comfort and allows various seating positions for all sizes. The combination of the soft sculptured design, decorative stitching and true craftsmanship makes it perfect for a range of different spaces. True Love is as attractive from the front as it is from the back and is therefore perfect as a freestanding furniture. The upholstery technique and the state-of-art molded foam opens up for a world of color and fabric combinations.
