Description:

Tray and stool perfection

QUADRO is a modern Scandinavian interpretation of a mix between the traditional Moroccan cushion and the Eastern tea tray table. It can be used as a soft, cosy stool for your feet or with the tray as a side/sofa table. The tray can also be used as a table top. Turned downwards it forms a visual whole with the soft base, designed to fit perfectly together. The tray can not be ordered right now.

Design: SUSANNE GRØNLUND

After completing her training at Danmarks Designskole, Susanne Grønlund set up her own studio 1991 and since she has designed and developed a wide and rewarded range of products like: textiles, clothing, toys, lifestyle products, lamps, outdoor furniture and not least furniture.

Common for all the new ideas is that they all take starting point in a simple and easy to grasp design style without compromising the function and quality. Her red thread is the Scandinavian design tradition with a humorous contemporary touch which is all combined in a continuous row of innovative ideas and projects, like beads on a string.
