

EFG012379

EFG Collaborate

Meeting, lounge and project tables available in two heights with legs in veneer natural ash. EFG Collaborate is available with optional sizes. And can be built in large table combinations. The table tops have softly rounded corners and can be integrated with electrical and data devices.

Product info

- EFG Collaborate has table tops with a core of 22 mm chipboard, veneered with 0,6 mm in natural ash (A1) or 0,7 mm white high pressure laminate HPL (HM) with the outer edges in natural ash. The table tops have straight edges with rounded corners (radius 50 mm).
- Table tops width 1500 mm has transverse veneer direction.
- Frame consists of metal frame and legs (88x55 mm) in veneer Natural Ash.
- Tables with height 750 mm are equipped with 2 holes with cover 128x128 mm. The covers are in the same colour as the table top and have louver hinges. Each hole has a milling out for opening / closing the cover and is armed with 1 earthed extension and 4 outlets for IT connections.
- Tables with height 750 mm are now also available without covers.
- Table heights: 750 mm and 1030 mm.
- Guarantee: 5 years liability for defects resulting from faulty design, materials or workmanship.
- Complies with established criteria for furniture eco-labelling. Minor deviations may occur.
- Tested according to: EN 15372 level 2, EN 1730.
- Optional Cable management, Measurements, Colours and Surface materials for table tops are available on request.
