# VERY OCCASIONAL

## THERE'S A VERY FOR EVERY SPACE

Very represents an award winning global seating family. Characteristics which create this universal appeal include, wide of scope of applications, high level of recyclability and wide range of colours

Its unobtrusive design makes it a chair for all settings, from office to public and home spaces. Very draws on Haworth's vast experience of ergonomic seating solutions and scientifically tested function.

Very seating has built-in intelligence for users comfort. The very seminar and conference chairs provide intuitive recline, ensuring user weight is absorbed and distributed to provide natural support. Its side-to-side torsional flex allows the backrest to follow the users as they move, increasing mobility and comfort when reaching sideways for objects.

Very delivers comfortable, convenient and collaborative seating. Swivel and flex beyond ordinary seating, injecting comfort and life into your environment.
