

framery O

Framery O is designed for making important calls, participating in video conferences and focusing on demanding tasks. The soundproof Framery O tackles the noise issues of the open office, increasing employee satisfaction and productivity. Ideally, the booths are installed in the middle of the workstations for easy access.

Framery O features a wide range of colours and a few options for seating and tables. Automatic air ventilation creates a fresh and comfortable working environment. The product is easy to assemble and relocate when necessary.
