

# Shelter

A lounge chair for either contemplation or communication. Shelter is a sculptural piece of furniture. By its quality in shape and design it also offers a high level of comfort. The high back surrounds the user and offers a luxurious isolation from the surroundings. It is perfect for private communication by e-mail, Skype or phone. Shelter creates a small oasis from disturbing surroundings. It is also possible to create a small intimate sphere when more Shelters are put together. The piece is poetic, organic and dynamic and unites the concepts that need unifying to obtain perfection.
